Calls taken for Southbridge EMS (Station 815): **2**

Crafton Borough EMS Report Notes

February 2018

All numbers for this report from Allegheny County 911 CAD system.

NFPA compliance target **NOT achieved** for serious calls: E-0: **40%***

NFPA compliance target **achieved** for serious calls: E-1: **96%**

NFPA compliance target **NOT achieved** for serious calls: E-0 + E-1: **86%***

February was an unusually slow month in the Borough. The *timing* of the calls played havoc on our statistical performance, although this will be discussed further below. Historically we post faster response times for the higher priority calls, but in many cases this month the higher priority calls were either further distances away from the station or came in back-to-back with other calls.

An E-0 priority call on 25 Feb. had an 11 min. 56 sec. response time due to the Crafton crew being out of the station on a previous call, resulting in the responding crew coming from our post on Mansfield Ave. in Carnegie.

Moments after that call came in, another E-0 priority call came in, and the responding crew had a 9 min. 31 sec. response time. In this case, the crew slowed their response due to the nature of the call and updates from County 911. This call should not be classified as an E-0 priority.

An E-0 priority call on 27 Feb. had a 10 min. 01 sec response time due to the fact that the Crafton crew had just gone out on a call moments earlier, and the responding crew was in the process of moving to post when the second call came in.

An E-1 priority call on 17 February had a 9 min. 26 sec. response time, but in that case the call was a psychiatric call without medical component, so the crew slowed their response. This call should not be classified as an E-1 response.

* If the two mischaracterized calls are removed, the compliance numbers become 60% and 92.9% respectively.

Mutual aid was not used in February.

NWEMS provided mutual aid 9 times in February as follows: Ingram (7), Robinson (0), Carnegie/Scott Twp. (0), and Southbridge (2).

Finally, 11 calls (19.6%) occurred between the hours of 11 pm and 7 am in January, demonstrating the need for 24 hour coverage in Crafton Borough.
